Action Taken Report 2023-24

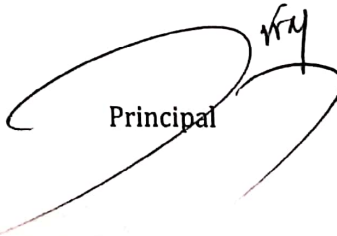

Action taken on Feedback from Students:

1. The Board of Studies develops the syllabus for all subjects at the University of Mumbai. Students have provided positive feedback regarding the professional and entrepreneurial skills they gained from it.
2. Necessary updates were made to classroom facilities and learning resources (projectors were installed in classrooms) to improve the overall academic environment.
3. Teachers were encouraged to provide notes, internet resources, and useful links as study aids.
4. Books and periodicals are frequently updated in the library per the latest syllabus.
5. To improve student employment opportunities, the Training and Placement Cell worked with companies including Toothsi, Accenture, Clover Infotech, etc.
6. Additional academic support sessions and mentorship programs were introduced to address specific student concerns.
7. Simplified the admission procedure by streamlining documentation and reducing processing time.
8. Launched an online payment system to allow students to pay fees securely and conveniently and a flexible installment payment option is given to reduce financial burden on students.

Action taken on Feedback from Teachers:

1. Improved the digital library system for easier access to e-books and online journals.
2. Enhanced Wi-Fi connectivity and IT infrastructure for smoother online resources and academic activities.
3. Organized regular workshops, training sessions, and seminars to support faculty in adopting new teaching methodologies and staying updated with industry trends.
4. Provided opportunities for teachers to attend conferences and participate in research projects to encourage professional growth.
5. Introduced ADMS App for teachers and students to reduce paperwork and lighten teachers' workload.

Action taken on Feedback from Parents, Alumni, and Employers:

1. Increased the frequency of parent-teacher meetings to provide updates on student progress.
2. Established a dedicated student counseling facility to address academic and personal challenges faced by students, based on parental concerns.
3. The college website is updated regularly to provide relevant information to these stakeholders.
4. Alumni engagement to be enhanced in the social activities.
5. Updated the placement cell to include more firms for campus recruiting. Improved collaboration with industry leaders to provide students with greater internship and placement opportunities.
6. Employers recommended developing entrepreneurial skills among students. MAHA CARE (Incubation Centre) conducted webinars and awareness events to teach students about entrepreneurship and privately owned companies.
